Subject: Electrical Panel Box

To:

Hello All,

Going forward the Electric Breaker Panel is OFF LIMITS to all Food Service Workers. Food Service Workers SHOULD NOT access, touch or look at the breaker panel.

If you have a piece of equipment that is not working correctly please have the Head Custodian trouble shoot the electrical panel.

If the Head Custodian does not come to assist you in a timely manor please call me ASAP.

Please share this with your staff.
Everyone should sign this e-mail and then
it should be sent back to me
by Friday, October 4th.

Thank You

Matthew Flusser
